VOLUME 24, 1947, GENERAL INDEX

This is an index covering all of the departments of the AMERICAN JOURNAL OF OPTOMETRY AND ARCHIVES OF AMERICAN ACADEMY OF OPTOMETRY. The letters used to explain in which department the material indexed appears are as follows: (OP), Original paper; (E), Editorial; (T), Transactions of the Academy; (CC), Current Comments by Virginia Huck; (SR), Special Reports; (C), Correspondence; (Ab), Abstracts; (BN), Book Notices; and (A), Announcements.

A

Accommodation, absence of. A case report. E. E. Reese and H. W. Hofstetter. (OP) 123

Accommodation, age-amplitude formula. H. W. Hofstetter. (Ab) 202

Accommodation, mechanics of. W. H. Glazer. (Ab) 146

Accommodation, physiological unit of. J. I. Pascal. (Ab) 146

Admission procedure, undergraduate optometric. Massachusetts School of Optometry. (SR) 24

Amblyopia ex anopsia in the armed forces. G. E. Morgan. (Ab) 95

American Academy of Optometry. Annual Committee appointments. (T) 344

American Academy of Optometry. Annual report of the Committee on Nomenclature and Standards. G. A. Fry (T) 304-329-480

American Academy of Optometry. Annual roster (T) 84

American Academy of Optometry. A quarter century of activity. C. C. Koch. (E) 177

American Academy of Optometry. Bellevue-Stratford meeting at Philadelphia. (T) 181-290

American Academy of Optometry. Dates set for annual meeting at Chicago. (T) 393-500-576

American Academy of Optometry. Dates set for annual meeting at Philadelphia. (T) 37, 83

American Academy of Optometry. New Members (T) 37-243-344-501

American Academy of Optometry. Notes on the educational program of. C. C. Koch. (E) 340

American Academy of Optometry. Philadelphia meeting postponed. C. C. Koch. (E) 23

American Academy of Optometry. Poll. (T) 180

American Academy of Optometry. President's annual annual report. J. F. Andreae. (T) 299

American Academy of Optometry. Program of annual meeting at Chicago. (T) 576

American Academy of Optometry. Program of annual meeting at Philadelphia. (T) 131

American Academy of Optometry. Registration at annual meeting at Philadelphia. (T) 307

American Academy of Optometry. Report No. 2. Committee on Nomenclature and Standards. Definition and measurement of torsion. G. A. Fry. (OP) 329

American Academy of Optometry. Report No. 3. Committee on Nomenclature and Standards. Definition and measurement of cyclophoria with converged and elevated lines of sight. G. A. Fry. (OP) 489

American Academy of Optometry. Report of the Research Projects Committee. R. E. Bannon (T) 304-391

American Academy of Optometry. Schedule governing membership fees. (T) 244

American Academy of Optometry. Secretary-Treasurer's annual report. C. C. Koch. (T) 301

American Academy of Optometry. Two new grants-in-aid. (T) 391

American Journal of Optometry and Archives of American Academy of Optometry.. Dr. Robert E. Bannon joins editorial staff. (A) 342

American Journal of Optometry and Archives of American Academy of Optometry. Wm. H. O'Brien appointed advertising manager. (A) 396

American Optometric Association. Anniversary. C. C. Koch. (E) 129

American Optometric Association. Annual convention (CC) 136-186-246-308-353

American Optometric Association. Handbook on ethics. V. Huck. (CC) 183

American Optometric Association. Sponsors Internship Plan. V. Huck. (CC) 310

American Optometric Association. Trend towards observance of ethical requirements of practice. C. C. Koch. (E) 387

American Optometric Foundation. W. C. Ezell. (SR) 461

Ametropia. A further analysis of Stenstroms data. M. J. Hirsch and F. W. Weymouth. (OP) 601
Ametropia, the nature of. M. W. Morgan. (OP) 253
Astigmatic correction, elimination of cyclophoria in. J. R. Shreve. (OP) 598
Andreae, J. F. President's annual report. American Academy of Optometry. (T) 299
Anesthesia in contact lens work. R. Graham. (Ab) 401
Aniseikonia cases, analysis of successful and failure. R. E. Bannon and R. T. Textor. (OP) 262
Anisometropia and its correction by contact lenses. H. T. Billger. (Ab) 401
Anisometropia, bifocals in. N. Millman. (Ab) 95
Announcements.
41-42-43-44-45-94-342-396-458-579

B

Bannon, R. E. Joins staff of American Journal of Optometry and Archives of American Academy of Optometry. (A) 342
Bannon, R. E. Use of cycloplegics in refraction. (OP) 513
Bannon, R. E. Report of the Research Projects Committee. American Academy of Optometry. (T) 304
Bannon, R. E. and Textor, R. T. Analysis of successful and failure aniseikonic cases. (OP) 262
Bartley, S. H. The basis of visual fatigue. (OP) 372
Bass, H. G. Aiding the near-sighted. (Ab) 511
Baxter, R. C. The angle of deviation in concomitant squint. (C) 574
Bear, R. M. Problems of faulty recognition of words. (Ab) 193
Bemis, H. A. Experience with industrial vision problems. (OP) 74
Benedict, W. L. Recommendations for creating a board of registration for opticians. (Ab) 406
Better Vision Institute. (CC) 186-352
Bier, N. Tolerance factor and Sattler's veil as influenced by a new development in contact lens making. (OP) 611
Bifocal problem, professional approach to. E. Laisne. (Ab) 401
Bifocals in anisometropia. N. Millman. (Ab) 95
Bifocals in myopia, the use of. A case report. R. E. Wick. (OP) 368
Billger, H. T. Anisometropia and its correction by contact lenses. (Ab) 401
Black, S. Diagnosis in optic nerve diseases. (Ab) 194
Black, S. Orthoptics in everyday practice. (Ab) 402
Blanchard, M. I. Applying psychology to patient personality. (Ab) 402
Braff, S. M. Contact lens correction of keratoconus. (Ab) 405
Bridgman, C. S. Desquamation of the cornea resulting from a contact lens wearing period of one and one-half day's duration. (OP) 569
British glass industry, history of. A. V. Johnson. (Ab) 196
British national health insurance scheme, reactions to. C. C. Koch. (OP) 151
British Optical Association. Handbook on ethics. (CC) ....183 (CC) 456

C

Cantonnet, following. J. C. Gillie. (Ab) 98
Chamberlain, K. What kind of education? (OP) 50
Cheiroscope in diagnosis and training, versatility of. J. E. Wright. (OP) 335
Chodroff, M. N. Squint, psycho-physiological aspects involved in its treatment. (OP) 433
Cholerton, M. Dissatisfied patients. (Ab) 252
Clinical tests, meaning of, in light of laboratory measurements. M. W. Morgan. (Ab) 250
Cohn, N., and Roslyn, D. L. Hyperphoria. (Ab) 193
Collins, A. W. Vectoluminator and vectometer, a medium for visual training. (OP) 172
Color field charting and toxic amblyopia. O. E. Hicks. (Ab) 196
Color vision, improved screening test for red-green deficiency composed of available pseudo-isochromatic plates. L. L. Sloan. (Ab) 192
Color vision, researches on normal and defective. W. D. Wright. (BN) 311
Color vision, screening test for defective red-green. L. H. Hardy, G. Rand and M. C. Ritter. (Ab) 192
Columbia University, School of Optometry. (CC) 358
Columbus Chapter, American Academy of Optometry. (T) 395
Concomitant squint, variations in angle of. H. W. Hofstetter. (OP) 463
Conlogue, J. B. Post-fluorescein test in contact lens fitting. (OP) 71
Connolly, P. L. Ocular complications of Sydenham's chorea. (OP) 170
